Individual Psychotherapy Sessions

Referral Requirements: General Practitioner and self referrals accepted **Cost:** Nil

Individual psychotherapy is available when appropriate as determined by assessment process.

We have two clinicians who are trained in schema-therapy.

One on one Dialectical Behaviour Therapy (DBT) skills training can be provided, however there is no DBT group available at this time.

The length and frequency of contact is determined on a case by case basis. Therapies are offered within a recovery orientated framework and services are time limited.
